Mission Statement

To contribute to the community by supporting and initiating activities beneficial to the community, the City of Lansing and society in general. To work cooperatively in solving problems affecting the health, safety and general welfare of Community residents. To establish effective communication links between the Association, residents, local government, and other community organizations.

Leaf Pick-up April 2013

The Secretary at the Capital Area Recycling and Trash (CART) stated that they will wait until after the last snow before picking up leaves. Most years this means that the first week in April this service begins. The city requires that all leaves be in paper bags and only use Paper tape. Duct tape or Plastic bags will gum up the equipment. Also Lansing will not allow you to rake leaves into the Street.

Community Pledge

I pledge to give a portion of my time, a portion of my energy, and a portion of my resources to the community in which I live. And to set examples, not by token words I say, or by looking the other way, but by contributing whenever I'm able to help enrich the lives of my neighbors.

Here, I make all my pledges in unity, reaping in return a great community.

Presidents Perspective:

One of my goals as the president of the Churchill Downs Community Association is to create an area in which we can showcase our neighbors. While some of our neighbors are new, there is a large number of neighborhood veteran's. Those that remember a once thriving corner of Lansing that included a McDonalds, a family owned grocery store, an amusement park, a small landing strip and of course the "Shamrock" or "Jolly Road Inn". It is my hope that I can use this space to recreate some of these memories through conversations with our neighbors. If you would like to reminisce with me or have a neighbor that has a great story, please don't hesitate to contact me.

April begins minor league baseball in Lansing with the hometown Lansing Lugnuts playing in Thomas M Cooley Law School Stadium downtown. Away games begin April 4. The first home game is the cross town rivalry game with MSU occurs on April 11th. For ticket prices or further information visit www.lansinglugnuts.com or call call (517) 485-4500
